AMable Open Call

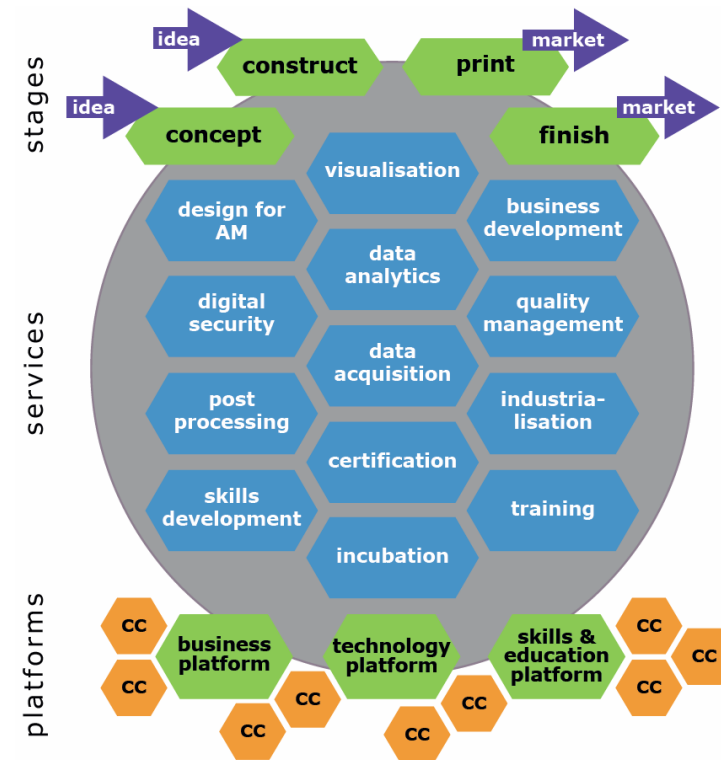

Supporting SMEs in the uptake of Additive Manufacturing

Call for Proposals

Identifier AMable OC1

Deadline 1. October 2018

AMable Services Arena

AMable Open Call OC1

Your Opportunity

1

Do you have an innovative idea for a functional product that needs AM to become alive? You can tell & sell its story publicly but you cannot achieve the implementation yourself?

2

You can get support from European Additive Manufacturing Competence Centers – teamed up in AMable – through services for design, testing, simulation, scale up, etc.

3

You can get funding for your development activities if you are an SME in the supplier role, eligible under Horizon2020 rules and if there is a SME or mid-cap in the user role.

AMable Open Call OC1

Your ToDo's

1

Write up your story; present your first adopting user; what is your idea; what is your AM starting point; how does the idea relate to the state of the art;

2

Present your business case; where will you sell; how will you produce; what will be your return of invest; how is your business plan?

3

Detail your development plan; identify risks; determine success factors; define the AMable services you need; request an AMable Tutor assignment; download and follow the guide for applicants; submit your proposal;
